## PRESIDENT'S MESSAGE

Greetings Everyone

As 2007 comes to a close, I would like to take this opportunity to reflect on some of the activities that make our chapter special. First up, our one day shows that have provided both educational opportunities and some exciting auctions. If you missed the Waco show, you really missed a chance at some different clocks and tools. Also, Gene Galbraith presented an educational on the falling ball clock that I found very interesting. Our regional show was a bit down from last years show but it was still the biggest show in Texas and a great opportunity to buy and sell. I would also like to point out two wonderful sources of information, the newsletter and our chapter web page. Since you are reading this, you are familiar with one or both sources of information. Lastly, I would like to focus on the accomplishments of the education committee. Our chapter has the most complete suite of clock related training and we are building toward offering classes on watch repair. We now have a basic set of watch tools and plan to continue building to the point where we can offer watch repair classes in Grapevine. You may have noticed that we are also increasing our offerings of field suitcase courses which also include pocket watch repair. I believe that we are only one of a small group of chapters offering this complete suite of training. Roll all this up and I think it easy to say that we have one of the best chapters around. This is exemplified by several awards for chapter of the year.

I figure by now that you might be wondering where I'm going with all this. Well it's time for renewal and I don't just mean a new year. It's time to renew your membership to the chapter and I wanted to get you thinking about what the chapter does to earn your support. Look at the address label on your newsletter, it will tell you if you need to renew. If that is the case, consider renewing for the next five years and save writing the check for a few years. We have even included a self addressed envelope for your convenience.

If you missed the chapter picnic you really missed some wonderful entertainment by Russ Aikins and his musical group. The weather was so nice that almost no one retreated to the house. The BBQ was outstanding and we had so much left that we were stuffing it in pockets, as everyone left. Seriously, we planned for a large crowd and we were not disappointed. We just wanted to make sure that no one left hungry.

As 2007 comes to a close, I would like to thank those of you that have made this year a success for the chapter and national and ask that you continue that support in 2008. We will need your help for our January mart and our regional show. Preparations for the 2008 regional are ramping up so look for our ad in the December bulletin or check out our web page for registration information and forms. ([www.chapter124.com](http://www.chapter124.com))

Finally, I would like to wish you and your family a safe and happy holiday season and a prosperous New Year!

Best Wishes  
Phil Ball, President

## Waco Welcomed its Second Tri-Chapter One Day Mart

If you did not attend the second annual Waco One Day Mart, on October 20, 2007, you really missed a good time, good buys, and delicious food. There was a crowd of 139 people which was pretty impressive for a One Day. People came from all over. The Texas Ranger Museum is an ideal place centrally located to house large One Days. Unfortunately, next year the building will be under renovation and expansion. We would like to thank all our volunteers who helped make it a great show. Gene Galbraith did an excellent power point educational on the Franklin Falling Ball Clock that he repaired in his shop. Jack Goldberg chaired the unloading.

Ron Davison and Louis Ellis ran the Silent Auction. Pat Holloway and Elinor Goldberg ran the registration table. Many others brought breakfast foods and drinks. Peggy Blanchard prepared many homemade breakfast burritos. Evelyn Slough and others helped in the kitchen. I hope I did not leave anyone out. Thanks you all for helping to make it a great success. Bill Andrle Chairman

\* \* \* ***IT'S MEMBERSHIP RENEWAL TIME!!!!*** \* \* \*

The Chapter Membership Year is the same as the Calendar Year. Since we are approaching the end of 2007, it is time to check the status of your membership. To do that, check the top line on the mailing label on page 4.. If it says "Exp 12/2007" then your membership expires at the end of this month, and you need to renew. If it says anything else, your membership is current for 2008. The membership fee is \$10 per year for 1 to 5 years.

On the membership renewal form on above, we have printed a label summarizing the information we have on our Chapter Membership database regarding you. Even if you do not have to renew your membership, we would like you to verify the information on that label. If everything is correct, and your membership is current for 2008, you need do nothing. If anything on the label is incorrect, we would appreciate it if you would make the necessary changes and return the corrected renewal form to the membership renewal chairman.

An envelope is enclosed with the Newsletter for your convenience. Again this year, Gene Meysenburg is handling our membership renewals. If you have any questions about the renewals, or about your membership, you may call Gene at 214-328-1984, or email him at gm1000@prodigy.net.

Your prompt cooperation in this renewal process helps save the Chapter postage and mailing expenses. *Please do it now!*
