

“The Theory, Design, and Repair of the Deadbeat Escapement” Workshop

by Chapter 124 Member

Mike Dempsey, *FNAWCC of Elm Grove, WI

Sponsored by Lone Star Chapter 124, Thursday, March 1, 2012, 9:00 AM – 5:00 PM, prior to the 2012 Lone Star Regional.

**Mesquite Convention Center and Hampton Inn & Suites
1700 Rodeo Drive, Mesquite, TX 75149.**

Attendees will be given hands-on instructions of the theory, geometry and salient features of designing and repairing a deadbeat escapement and each student will have the opportunity to draw a working escapement.

**If you are interested in learning about deadbeat escapements, please bring the following:
Paper, Compass, Straight Edge, Protractor, Triangle, Colored Pencils.**

**Fee is \$50: Space is limited, so register early!
Deadline is February 20, 2012.**

**Contact Pam Tischler by emailing
FSWProgram@verizon.net or phoning 972-612-0712.**
